

TATTINI Tom Boy

1022799 TATTINI TOM BOY SADDLE,

a top quality "close contact" jumping saddle with square cantle, made from fine materials, selected by keeping in mind the use of each component, such as English leather for the flaps and French leather for the seat and the knee pads on the flaps.

Provided with wooden saddle tree, Bayflex® filled panels and kneepads with differentiated thickness of the padding.

Colour: london - black

Size: 16,5" - 17" - 17,5" - 18"

Jumping Saddles

CAIR system

A - 1023899 BATES CAPRILLI SADDLE

"close contact" in high quality Austrian leather, built on Elastiflex tree, lifetime guaranteed.

Provided with **CAIR Panel System** which replaces the flocking with air panels by evenly distributing the rider's weight across the entire length of the panel, virtually eliminating pressure points and maximising the bearing area on the horse's back. It is also provided with the **"Easy-Change Gullet System"** which allows to change the saddle's fit to suit any horse's shape.

Colour: Newmarket tan - black

Size: 16,5" - 17" - 17,5"

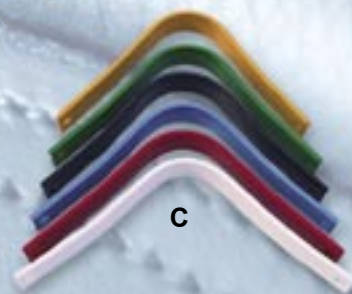

B - 1000326 WINTEC PRO JUMPING SADDLE

a high performance and stylish saddle, perfect for both competition and training. Made of "equisuede", a synthetic material which repels water and sweat.

It is also extremely hardy and abrasion resistant making it ideal for heavy use. Provided with CAIR Panel System and "Easy Change Gullet System", and also with adjustable Flexibloc system which enables the rider to individually tailor his thigh and knee support, at both the front and the rear of the leg.

Colour: black

Size: 16,5" - 17" - 17,5"

C - 1930899 EASY CHANGE GULLET

Dressage Saddles

B - 1031399 WINTEC PRO DRESSAGE SADDLE
built on spring Elastiflex tree, which allows to achieve the best combination of strength and flexibility. The "equisuede" material used in the Pro range, reproduces the same complex structure as natural leather. The saddle is provided with adjustable Y-girthing system to secure it. Surcingle locks top flap into position. Provided with "Easy Change Gullet System".

Colour: black
Size: 16,5" - 17" - 17,5"

A - 1028399 PESSOA DRESSAGE SADDLE

Anky Competitor in smooth leather with traditional wool flocked panels. It features special water resistant PITTARDS WR 100 Cruiser Leather on the seat and on the knee for added grip. Provided with thickened inner front of panel, balance strap facility and dressage point strap.

Colour: black
Size: 16,5" - 17" - 17,5"

C - 1050599 ISABELL WERTH WINTEC DRESSAGE SADDLE

developed in cooperation with world's champion Isabell Werth taking in mind the comfort and performance of the rider and the horse.

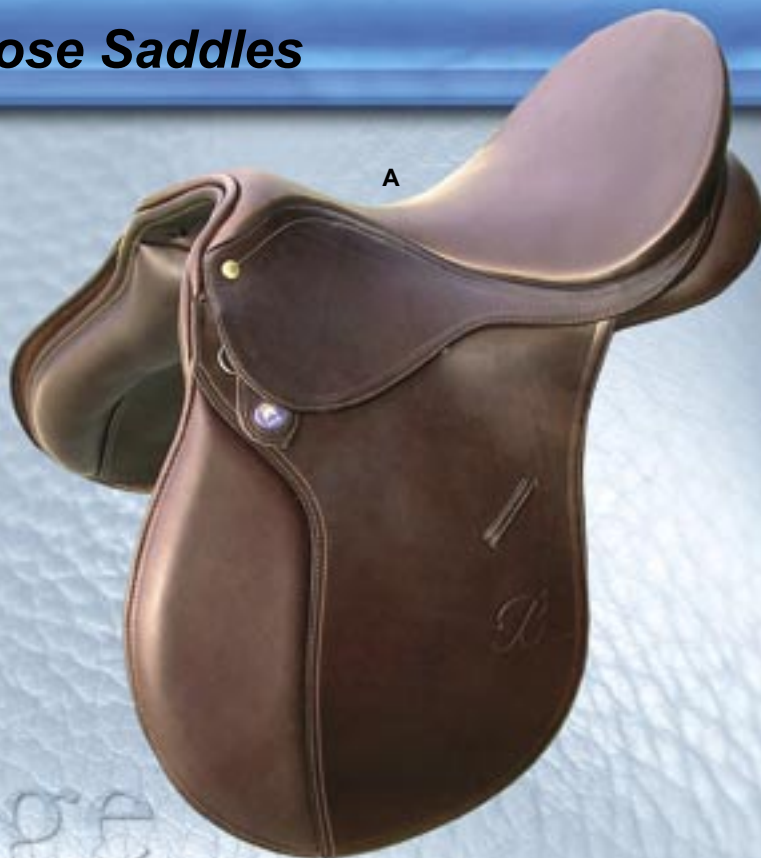

An extra deep seat with a very low, thin waist positions the rider close to the horse, giving the feeling of being "in" the saddle, rather than "on" the saddle. Provided with CAIR Panel System and "Easy Change Gullet System".

Colour: black
Size: 16,5" - 17" - 17,5"

All Purpose Saddles

A - 1000226 BATES CAPRILLI ALL PURPOSE SADDLE

Pessoa Collection *Magic* SYSTEM

The **Pessoa Collection** categorizes the bits into the following types: the Magic System, Comfortable Bits, Correctional/Leverage Bits and Special Bits.

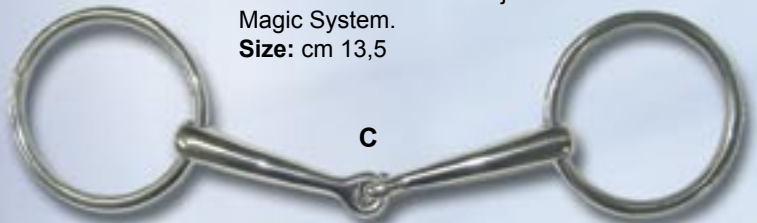

The **Magic System** combines the **flexibility** of jointed mouth bits with the **control** of a straight bar mouthpiece. The exclusive patented design doesn't allow the bit to fully collapse as does a traditional snaffle, thereby **reducing tongue pressure and palate injury**. The **Magic System** consists of 4 types of mouth-pieces: rubber covered, thick, thin or twisted to offer riders different levels of control. The Pessoa Bits are also distinguished by the comfort offered, especially the jointed ones with copper rollers or copper links which have a calming and relaxing effect on the horse's mouth. They also encourage moist and soft mouth.

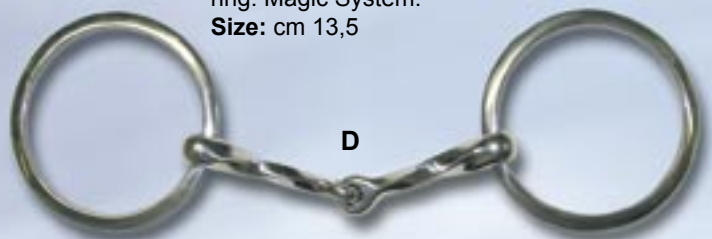

A - 1616999 SS PESSOA RING SNAFFLE BIT with medium jointed mouth. Magic System.
Size: cm 12,5 - 13,5 - 14,5
